

## Print from your Android Device (phone, tablet)

1. First-time users should register at [www.lexpublib.org/print](http://www.lexpublib.org/print). Sign in using your library card number and PIN. (Your PIN is typically the last 4 digits of your phone number.) If you don't have a library card, tap the **Guest User** button and follow the on-screen instructions to sign in.

A screenshot of the Lexington Public Library login page. At the top is the library logo and the tagline "Reading Is Just the Beginning!". Below this is a welcome message: "Welcome to the Lexington Public Library's website to upload your print documents. Once uploaded, documents can be printed at any of our convenient locations." This is followed by instructions for library members to log in with their card number and PIN, and for non-members to select the "Guest User" button. There are two input fields: "Library Card Number / Email" and "Password". A "Forgot Password?" link is positioned below the password field. A blue "Log in" button is centered below the fields. Below the button is the word "or" flanked by horizontal lines. At the bottom is an orange "Guest User" button.

2. After signing in, tap the menu icon in the upper-right. Download the SmartAlec app by tapping the **Android** link in the **Clients** section of the menu.

- 
3. Open the SmartAlec app and sign in using your library card number and PIN. (Your default PIN is typically the last 4 digits of your phone number.) Once you are signed in, you can exit the SmartAlec app.

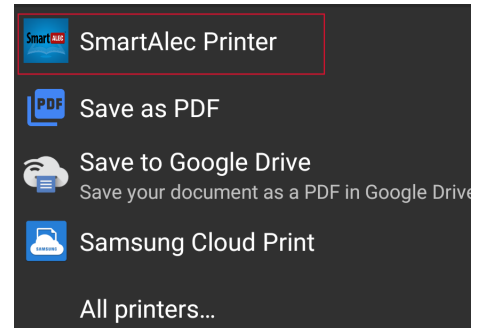

- 
4. Open the item you want to print, and tap on the appropriate icon. Different apps may use different icons for printing. The most common are **Share...** and **More Options** (three vertical dots).

Share...

- 
5. Tap **Select a printer**, and choose the SmartAlec printer from the dropdown menu.

- 
6. If you are asked to confirm that you want to use SmartAlec, tap **OK**.

- 
7. Tap the printer icon to send to the print queue.

8. Proceed to the print station to pay for and print your item. You can see the list of items you've sent to the print queue at any time by returning to the SmartAlec app.
